

Buyers Are Already Asking for Your Products

Want to see which types of product enquiries
IndMALL receives daily?

Scroll down to see what buyers are asking —
and from which industries and locations.

How It Works

Step 1: Buyer Sends Enquiry

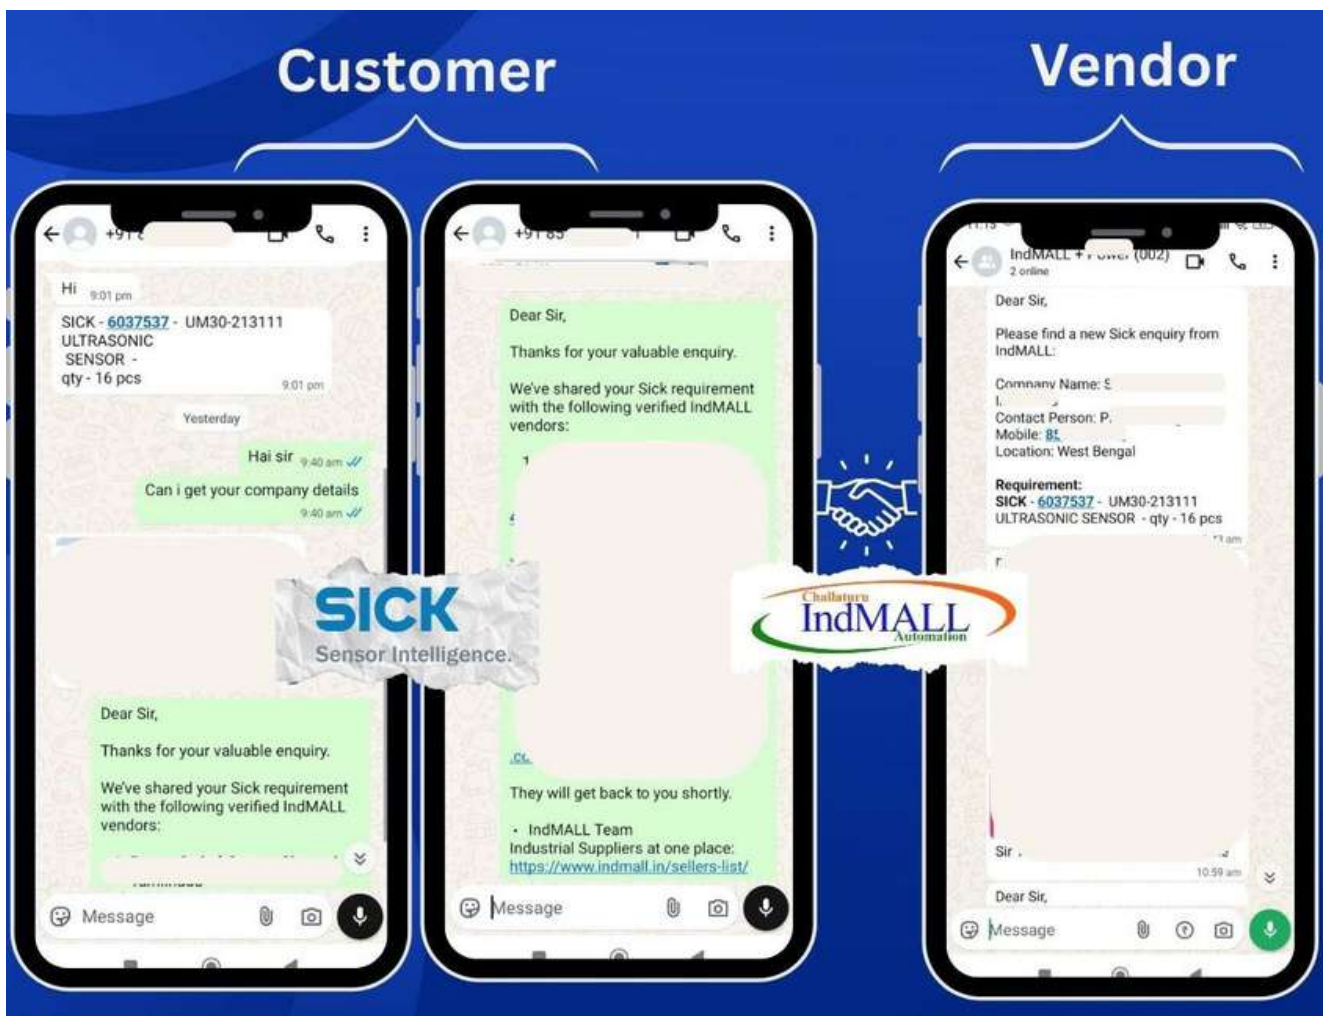

A buyer searches for a brand/model like “Omron E3Z-D62” or “Delta VFD” on Google and lands on IndMALL.

Step 2: We Share It With You

We match that enquiry to the right vendors, based on brand, product, and location. You get the enquiry on WhatsApp with full details (company name, brand, model, quantity, location etc.,).

Step 3: You Talk Directly to the Buyer

No commission. No middleman. You deal directly with the buyer and convert at your speed.

Real Stories from Suppliers Using IndMALL

Don't just take our word for it.

Here's what real vendors are saying after using IndMALL to get verified leads.

"We got ₹12.5 Lakhs in orders from IndMALL leads."

Since August 2024, we've been using IndMALL — and it's working great. They send leads directly to my WhatsApp, and buyers can message me directly. Just from 2 orders, we recovered our full investment. Now we have 15 regular customers — including end users, machine builders, traders, and resellers. IndMALL has made our work simple. Thank you.

Mr. Gaurav/Mr. Rakesh, Director
Power Switchgears – Chennai

"35% of our FY turnover came from IndMALL."

We got 20 regular customers for Delta, Weidmuller, and Moxa through IndMALL. I don't have sales engineers — we don't do field visits. But still, 35% of our total revenue in FY 2024–25 came only from IndMALL leads. Thank you so much for building this powerful platform.

Mr. Vinay, Director
ElecMind Power Solutions – Bangalore

"Built 1000+ genuine customer database — without stepping out of office."

From our Chennai office, we're now handling pan-India buyers without visiting anyone. We connect directly with customers over WhatsApp and phone calls — no middlemen. We've built a 1000+ genuine customer database through IndMALL. Every day, we talk to 4–5 new verified buyers looking for our exact products. The best part? Not a single non-relevant lead. 100% genuine. 100% verified. Thank you so much to the IndMALL team.

Mr. Olive
Jeysan Electronics – Chennai
